Assistant Headteacher Update

The elves are back! The pesky elves have been causing chaos, defacing pictures of adults and taking up a large space in the hubble. Stay tuned next week to see what they get up to…fingers crossed they have a change of heart and choose to be sweet and kind to the adults!

In maths we have been looking at fractions, decimals and percentages. We understand that they are all part of a whole and we can also apply the varied rules to convert between these three strands. We can't wait to apply taught skills in our mock SATs next week!
In writing, we have been looking at persuasive letters which are a form of non-fiction writing written to persuade a reader of a belief, opinion or idea. We have written a letter to Mrs Chamberlain to persuade her to allow us to go on more school trips as well as purchase more iPads for us. In preparation for our independent writing task, we were privileged to have Mr Kobé Tong (who is a Deputy Sports Editor for GiveMeSport) come in for some workshops. This is some of his work:
https://www.givemesport.com/88088579-best-save-of-the-world-cup-wojciech-szczesnys-epic-double-stop-vs-saudi-arabia
With Mr Kobé's support, we have plenty of information to support our letter to the FIFA President to persuade him to allow England to host the World Cup in 2028!

In humanities, we have continued to explore our key question - How has leadership changed in Japan over time? We have learnt about Modern Japanese leadership and how the country is run today. In addition to this, we have compared Japan's political system to the UK's political system and have discovered many similarities and differences.
In Science, we have been exploring the differences between series and parallel circuits. This has encouraged a lot of problem solving in exploring what can affect certain components along a circuit without affecting others.

We have also been digging trenches using spades and forks, in order to prepare to plant 130 tree saplings, which have been donated to us by the Woodland Trust organisation. We chose the 'wildlife pack' to plant in forest school, to attract certain types of birds and insects. Each class will be planting their own tree sapling.

Please make sure you send your children to school with a healthy lunch and snacks.

Key Dates

PUT THIS on YOUR CALENDAR!

One Day Creative: 6th December 2022
National Christmas jumper day - 8th December
Flu Vaccinations - 8th December
Christmas dinner - 14th December
Christmas Fayre - 19th December 3.30-5pm
Last day of term - 21st December 12.30 finish

HVPA Safeguarding

Keep your child safe on WhatsApp

What are the risks?

- Bullying, particularly in group chats
- Seeing content of a sexual nature, or showing violence and hatred
- Settings that allow messages to disappear after 24 hours or 7 days
- Sharing their live location, particularly with people they don't know in person
- Spam or hoax messages
- Being exposed to strangers through group chats
- WhatsApp says the minimum age to use it is 16, but younger children can still use it easily

6 steps to help your child use WhatsApp safely

1. Keep their personal information and location private
2. Remind your child to be careful about what they share
3. Remind your child to remember that they can leave group chats
4. Make sure your child knows how to report and block people
5. Encourage your child to watch out for spam and hoax messages

Tell us at HVPA about any bullying your child experiences - look for signs like being afraid or reluctant to go to school, feeling nervous, losing confidence or becoming distressed and withdrawn, or losing sleep.

Hampton Vale Primary Academy

Hampton Vale Primary Academy

'Education is the key to unlocking the world, a passport to freedom.'

Are you looking for a reception school place for your child?

We offer...

- A highly successful and knowledgeable early years team that put the wellbeing of all children at the centre of their practice.
- An immersive curriculum that promotes excellence within all areas of learning.
- Specialist teaching teams for PE, Art, Performing Arts and Forest School lessons.
- A well resourced and beautiful learning environment that includes recently renovated classrooms and an outdoor role play garden to provide outstanding outdoor learning opportunities.

Seedlings Nursery
at Hampton Vale Primary Academy

We also have limited spaces within our highly popular nursery setting. Our friendly and dedicated nursery team provides the highest levels of childcare in a beautiful, immersive and engaging early years setting for the autumn term.

We offer term time childcare between the ages of 2-4 and we also accept 15 and 30 hour government funding.

Please contact our school office to arrange a tour of our school or visit our website to find out further information.

NHS

flu: 5 reasons
to vaccinate your child

1. **Protect your child**
   The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
2. **Protect you, your family and friends**
   Vaccinating your child will help protect more vulnerable friends and family
3. **No injection needed**
   The nasal spray is painless and easy to have
4. **It's better than having flu**
   The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
5. **Avoid costs**
   If your child gets flu, you may have to take time off work or arrange alternative childcare

Holiday Activity & Food Programme at Southfields Primary School

Oak Activities are proud to announce that this Christmas we will be partnering with Peterborough Council to support them in delivering their Holiday Activity & Food Programme (HAF). The Department of Education funded scheme is being run by Peterborough County Council. These sessions are not delivered by the school; we are helping to promote them to ensure you are aware of the opportunity. The activities will be delivered by Oak Activities.

As well as taking part in the activities, the children will also receive a free hot lunch each day to keep their energy levels high and maximise the fun that they will have with their friends. All of this totally **FREE OF CHARGE**.

We are truly excited about being able to give the children this opportunity to be active in a fun and safe environment this Christmas.

Course information –

The programme is aimed solely at children eligible for Free School Meals and will provide these children with days of fun and engaging multi-sport activities as well as performing arts and well-being sessions.

Venue: Southfields Primary School

Dates: 20th, 21st an 22nd of December

Time: 10:00 – 14:00

How to sign up

The course is based on a first come first served basis and we can take up to 30 children on this course for Christmas. To confirm your space for the course, please click on the link below to sign up to the programme.

https://bookwhen.com/oakactivities-multisportcamps

Use the discount code **HAF** when booking to take the cost to zero, all bookings will be vetted by Peterborough Council and al children booking MUST be in receipt of benefits related free school meals.

Once your place is booked, we will be in contact after the to provide you with your child's food options for the event.

We hope you are as excited as we are about this and look forward to seeing you during the Christmas break!

PETERBOROUGH CITY COUNCIL

Foster for us!

Why choose us?

- Local training and development
- Generous pay and benefits
- 24/7 support from a Supervising Social Worker
- Local support groups and networking opportunities

You can make a real difference to the lives of a child or young person by becoming a Foster Carer for your local authority.

You must be over 21, have a spare bedroom, and be willing and able to provide a stable and loving environment in which a child or young person can thrive. If this is you please get in touch.
