Assistant Headteacher Update

Christmas has officially started at Hampton Vale. The christmas trees are up, the children's advent has started and we have even been visited by an elf from the North Pole. The children are enjoying looking for the elf each day and seeing what mischief it has been up to!

Year 1 have had a fantastic experience day to round off their Autumn term topic, The Victorians. We have had children wearing the Dunce hat, as well as writing and chanting number sentences. They even had a PE session where they did Victorian drilling and exercises. It has not all been intense as we finished the day with making Christmas cards, and learning about Victorian Christmas traditions. The children thoroughly enjoyed having the experience of a Victorian school and how things were different in the Victorian times.

In writing, Year 1 started their new unit using the stimulus of a John Lewis advert, 'Edgar the Dragon', to engage the children. On Monday morning, the children entered the classroom to find giant dragon footprints through their classrooms. Edgar had been in the classroom and left the children a challenge. The children were asked to write what happens next to Edgar after he lights the Christmas pudding. The children have been busy collecting ideas and I look forward to reading the next instalments to the tale.

In maths, the children have been focusing on 2D and 3D shapes. They went on a shape hunt around school looking for 3D shapes in real life objects. They were able to describe the properties of the shapes and sort them in different ways. The children are now moving onto place value to 20 and representing the tens and ones in numbers.

Have a wonderful weekend.

HVPA Safeguarding

Keep your child safe on WhatsApp

What are the risks?

- Bullying, particularly in group chats
- Seeing content of a sexual nature, or showing violence and hatred
- Settings that allow messages to disappear after 24 hours or 7 days
- Sharing their live location, particularly with people they don't know in person
- Spam or hoax messages
- Being exposed to strangers through group chats
- WhatsApp says the minimum age to use it is 16, but younger children can still use it easily

6 steps to help your child use WhatsApp safely

- 1. Keep their personal information and location private
- 2. Remind your child to be careful about what they share
- Remind your child to remember that they can leave group chats
- 4. Make sure your child knows how to report and block people
- Encourage your child to watch out for spam and hoax messages

Tell us at HVPA about any bullying your child experiences - look for signs like being afraid or reluctant to go to school, feeling nervous, losing confidence or becoming distressed and withdrawn, or losing sleep.
