Assistant Headteacher Update

It has been lovely to welcome the children back following an extended half term. I hope you all had a lovely and restful half term!

Year 1 are continuing their topic of 'Victorians' this half term where they will be focusing on the lifestyles of people in the Victorian times. This week the children have been learning about Victorian schools and how they were different to our school now. The children will then be using this knowledge to reenact a Victorian school day on Tuesday 30th November as part of their Victorian day.

Year 1's writing unit links directly to their topic as the focus is writing a fact file about Queen Victoria. Last half term, the children learnt so much key information about Queen Victoria. They are now going to use this knowledge to create an informative fact file for others to read. This week the children have been learning about the features of a fact file; heading, subheading, introduction, etc. I am looking forward to reading some of these very informative factfiles!

In maths, the children have continued their learning of addition and are now moving onto subtraction. A range of strategies are being taught to the children to support them in answering subtraction calculations and problems. These include part-part-whole models, number lines and tens frames.

The teachers look forward to welcoming parents in for parents evening next week. The children are excited for you to have the chance to see all of their hard work in their books. If you have not already booked an appointment then please book one through the MCAS app.

Have a wonderful weekend.

Mrs Murdoch

Year 1 News

Gosling update.

As you will see from the photo's our Gosling children have been harvesting the pumpkins, Butternut squash and guards that they planted earlier in the year. They were taught how to cut them safely from the vines. Forest School is an amazing area that is open to our children, every night. As the nights start to draw in, our children will be offered more activities inside school, these will include Homework club, we will help children who may find it hard to complete their homework online or on paper, we will read with your children, leaving the time they have with yourselves for things you can do together.

We are going to introduce some cooking opportunities, which every child will have the opportunity to do and bring home if they wish. Wonderland for the children who like to read quietly or be part of a group listening to a member of the Goslings staff read. The Hubble, for homework, investigations or simply to play some games. We are going to start making Christmas decorations and Christmas items in the next few weeks

Hampton Vale Primary Academy

*'Education is the key to unlocking the world,
a passport to freedom.'*

Are you looking for a reception school place for your child?

We offer...

- A highly successful and knowledgeable early years team that put the wellbeing of all children at the centre of their practice.
- An immersive curriculum that promotes excellence within all areas of learning.
- Specialist teaching teams for PE, Art, Performing Arts and Forest School lessons.
- A well resourced and beautiful learning environment that includes recently renovated classrooms and an outdoor role play garden to provide outstanding outdoor learning opportunities.

We also have limited spaces within our highly popular nursery setting. Our friendly and dedicated nursery team provides the highest levels of childcare in a beautiful, immersive and engaging early years setting for the autumn term.

We offer term time childcare between the ages of 2-4 and we also accept 15 and 30 hour government funding.

Please contact our school office to arrange a tour of our school
or visit our website to find out further information.

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare
