## Assistant Headteacher Update

What an exciting week our Year 1 children have had with their visit to Sandringham House and Gardens as part of their current topic 'Queen Victoria and the Victorians.' The visit allowed the children to experience the historical importance of the estate and learn more about the lifestyle of the Royal family. The children learnt that the estate was initially purchased by Queen Victoria and has remained a key holiday home for the Royal family. When having a guided tour of the house, the children learnt that Christmas is celebrated by the royal family at Sandringham. There are 12 Christmas trees that go up in the house and the children visited different rooms that have significant importance to the Royal family. Year 1 even saw the dining room where the royal family eat their Christmas dinner! As well as a tour of the house, the children enjoyed exploring the beautiful gardens and playing on the large play park. It was a very exciting and informative day for Year 1. Members of the public and staff at the house commented on how beautifully behaved all the children were. We are incredibly proud of all of them!

In writing, the children will be using their experience of the trip to write a recount of what happened. They will be using images that were taken throughout the day to support their writing. There was wonderful vocabulary used by the children throughout the day so I am sure this will be evident in their writing. I can't wait to see the informative recounts the children write.

In Maths, the children have moved onto addition and subtraction. They have been looking at part-part-whole models to support their understanding of addition and subtraction. The children have linked this knowledge to recalling the different fact families for each number to 10 as well as applying their number to 10 knowledge in a variety of ways.

Have a wonderful weekend.

Mrs Murdoch

## Performing Arts update

It's been very exciting in Performing Arts since the start of term!

We have made a great start on our Nativity in Reception which has been a great introduction to Hampton Vale's performing arts programme for our new starters. We have loved learning all the new songs and the story of the Nativity!

Year One have worked very hard learning about Matilda and a poem about a very magic cat. Amazing work Year One! Just look at Fareed's face - we love that cat!

I have been so impressed with how hard Year Two have worked on their Annie performances. We have enjoyed learning about the story of Annie and how she had to work so hard doing chores at home - the students were not impressed about having to do so much cleaning!

I have also been really proud of how hard the Year One & Two Musical Theatre club has worked on a brilliant performance of 'A Millions Dreams'. We have now begun a spooky Halloween performance to 'This is Halloween' from The Nightmare Before Christmas!

## Performing Arts update cont..

Year Three and Four have been working on Matilda and Mary Poppins, looking at characters, accents and putting this all into scripted performances. I have been blown away by Year Four's hard work!

In Year Five we have been creating informative anti-bullying performances. The students have worked hard planning and performing the pieces. We have all been really impressed with the maturity shown in these performances. Well done Year 5, keep up the good work!

Finally - Year Six have been working on both a hip-hop dance and workshopping Shrek the Musical. Two very different skills for each piece, but I have been so impressed with how everyone has given it their best shot.

Well done to everyone for getting involved and working so hard in your performing arts lessons! I am so proud of each and everyone of you!

## BLACK HISTORY MONTH 2022

*For the month of October we will proudly be celebrating Black History Month 2022. This year's theme is 'Actions Not Words' and as a school we will be learning about black culture, history, prejudices that black people have faced in order to fight for equality, as well as learn about black people's contribution to British society. We also excitingly have a dance group coming into school to work with all year groups on 19th October. If you would like to find out any further information please speak to Mrs Matingwa or Miss Onyett. We look forward to updating you further about our learning throughout the month!*

a passport to freedom.'*

## Are you looking for a reception school place for your child?

We offer...

- A highly successful and knowledgeable early years team that put the wellbeing of all children at the centre of their practice.
- An immersive curriculum that promotes excellence within all areas of learning.
- Specialist teaching teams for PE, Art, Performing Arts and Forest School lessons.
- A well resourced and beautiful learning environment that includes recently renovated classrooms and an outdoor role play garden to provide outstanding outdoor learning opportunities.

We also have limited spaces within our highly popular nursery setting. Our friendly and dedicated nursery team provides the highest levels of childcare in a beautiful, immersive and engaging early years setting for the autumn term.

We offer term time childcare between the ages of 2-4 and we also accept 15 and 30 hour government funding.

Please contact our school office to arrange a tour of our school  
or visit our website to find out further information.

# flu: 5 reasons to vaccinate your child

## 1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

## 2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

## 3. No injection needed

The nasal spray is painless and easy to have

## 4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

## 5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare
