## Assistant Headteacher Update

Thank you parents and carers for all your support this term - the children are feeling a lot more settled now with their new surroundings and class expectations; learning is really taking off and it's wonderful to see how well everyone is achieving. The science curriculum has really taken off with experiments underway already: Year 6 have been observing the spread of mold on bread; whilst Year 5 have been observing the transformation from a maggot to a fly...quite remarkable!

We also welcomed visitors from Hampton College to present to the Year 6 children. Many questions were answered and it appeared a few minds were put at ease. On this note, please make sure you have submitted your child's secondary school admission request; the deadline is 31st October.

Year 6 also carried out their first mock assessments this week too - hopefully your child has told you all about it but the general feeling from the children I have spoken to is that it wasn't as bad as they thought. I am sure this will help ease the pressure some of the children have been putting on themselves. Next week, the children will be running their mini marathon in P.E so please ensure your child brings in their water bottle and has a good breakfast.

In writing we have been learning about explanation texts. We wrote an explanation text designed for tourists who travel to earthquake prone areas. We included lots of relative clauses, complex sentences and formal language.

In maths, we have been focusing a lot on multiplication and division. For the next week, we have a year group battle on TT Rockstars with the winning class getting extra playtime! Please encourage your children to log on and earn their class some points.

In P.E we have been practising hard for the mini mile which we run next Tuesday.

Science has been the real star of the show in the Y6 curriculum of late. Our mould experiments were very successful, much to our disgust. We are now observing fungi and how they look under a microscope. Washington class had a fantastic time exploring how to use the microscopes and what we saw was fascinating.

Have a wonderful weekend

### REMINDER

Please make sure you send your children to school with a healthy lunch and snacks.

## Performing Arts update

It's been very exciting in Performing Arts since the start of term!

We have made a great start on our Nativity in Reception which has been a great introduction to Hampton Vale's performing arts programme for our new starters. We have loved learning all the new songs and the story of the Nativity!

Year One have worked very hard learning about Matilda and a poem about a very magic cat. Amazing work Year One! Just look at Fareed's face - we love that cat!

I have been so impressed with how hard Year Two have worked on their Annie performances. We have enjoyed learning about the story of Annie and how she had to work so hard doing chores at home - the students were not impressed about having to do so much cleaning!

I have also been really proud of how hard the Year One & Two Musical Theatre club has worked on a brilliant performance of 'A Millions Dreams'. We have now begun a spooky Halloween performance to 'This is Halloween' from The Nightmare Before Christmas!

## Performing Arts update cont..

Year Three and Four have been working on Matilda and Mary Poppins, looking at characters, accents and putting this all into scripted performances. I have been blown away by Year Four's hard work!

In Year Five we have been creating informative anti-bullying performances. The students have worked hard planning and performing the pieces. We have all been really impressed with the maturity shown in these performances. Well done Year 5, keep up the good work!

Finally - Year Six have been working on both a hip-hop dance and workshopping Shrek the Musical. Two very different skills for each piece, but I have been so impressed with how everyone has given it their best shot

Well done to everyone for getting involved and working so hard in your performing arts lessons! I am so proud of each and everyone of you!

## BLACK HISTORY MONTH 2022

*For the month of October we will proudly be celebrating Black History Month 2022. This year's theme is 'Actions Not Words' and as a school we will be learning about black culture, history, prejudices that black people have faced in order to fight for equality, as well as learn about black people's contribution to British society. We also excitingly have a dance group coming into school to work with all year groups on 19th October. If you would like to find out any further information please speak to Mrs Matingwa or Miss Onyett. We look forward to updating you further about our learning throughout the month!*

# Hampton Vale Primary Academy

*'Education is the key to unlocking the world,  
a passport to freedom.'*

## Are you looking for a reception school place for your child?

We offer...

- A highly successful and knowledgeable early years team that put the wellbeing of all children at the centre of their practice.
- An immersive curriculum that promotes excellence within all areas of learning.
- Specialist teaching teams for PE, Art, Performing Arts and Forest School lessons.
- A well resourced and beautiful learning environment that includes recently renovated classrooms and an outdoor role play garden to provide outstanding outdoor learning opportunities.

We also have limited spaces within our highly popular nursery setting. Our friendly and dedicated nursery team provides the highest levels of childcare in a beautiful, immersive and engaging early years setting for the autumn term.

We offer term time childcare between the ages of 2-4 and we also accept 15 and 30 hour government funding.

Please contact our school office to arrange a tour of our school  
or visit our website to find out further information.

# flu: 5 reasons to vaccinate your child

## 1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

## 2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

## 3. No injection needed

The nasal spray is painless and easy to have

## 4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

## 5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare
