Hampton Vale Primary Academy

YEAR 4 HOMEWORK Pack 13

These are your additional weekly learning tasks that should be completed at least 3 times a week:

L.O.L:
Practise your common exception words - reading and spelling them
Spelling - practice your spellings and complete a mini test. Don't forget about Spelling Shed!
Reading - read your book at home to an adult/family member and discuss your reading.
Times tables- keep practising these as you will need to know all to facts up to 12x12 in Year 5. Don't forget about TTRockstars.
Maths:
Practice your times tables orally, in written form or using TT Rockstars

YEAR 4 HOMEWORK

Online Classroom

As part of our home learning offer, we are encouraging all of our children to engage in the National Oak Academy home learning website.

https://classroom.thenational.academy/

This website has daily video lessons, with additional quizzes and worksheets to apply the learning.

We expect children at home to complete a daily maths, english and PSHE/foundation lesson alongside their weekly tasks (from the first page).

If you are unable to access this website, the learning has been included in this home learning pack and can be completed without the lessons.

These lessons are based on the work from week 10 (29th June), we will be working a week behind so these packs are ready for you on time. You will find all lessons by selecting Schedule, Year 4, Week 10 and the correct day. Or by following this link https://classroom.thenational.academy/schedule-by-year/year-4

YEAR 4 HOMEWORK

L.O.L - Monday's lesson- Text to be used everyday this week

Additional video available on: https://classroom.thenational.academy/

Diary:

Reading Comprehension - Fact Retrieval

Dear Diary,

Read the following text and underline any key vocabulary and facts you find.

What an extraordinary day! It all began very early at 5 o'clock this morning when I suddenly felt the urge to play on my X-Box. I turned it on but a message pinged up onto my screen: 'Click link to download the latest add-ons'. I clicked it and the blue bar crept slowly to its finish line. I felt frustrated waiting...98%. 99%...then a blinding flash of light. The screen went black.

The next thing I remember is being transported to somewhere I didn't recognise and trying to make sense of my surroundings. I could feel emerald-green leaves tickling my skin and a pungent scent made my eyes water. Up above, the sun's rays danced on my pale skin sneaking between the arms of the rainforest trees.

Suddenly, there was a creaking noise...followed by a crack! Whatever had been holding me up suddenly gave way, sending me plummeting downwards. Flailing my arms frantically, I tried to grab onto something and luckily my hands managed to grasp a long rope that snaked down the side of the tree trunk. My body buckled as the rope pulled taut, leaving me dangling like a spider on a web. I felt bewildered.

Unexpectedly, from out of nowhere, someone cut me down and demanded: "Hurry! Now!"

I tried to make sense of this stranger's feral appearance: wide, brown eyes; matted hair (which looked as though it hadn't been washed in years) and clothes made of animal skins. I couldn't work out who this person was or where I was.

Hampton Vale Primary Academy

YEAR 4 HOMEWORK

L.O.L - Monday's lesson

Additional video available on: https://classroom.thenational.academy/

Then, she shouted, "We need to collect ten bananas to get to the next level!" and soared high into the sky, landing on what can only be described as a turtle's back! Momentarily stunned, the peculiar creature stood still. Breaking into a spin, the jungle woman moved closer again to the turtle, collided with him and he disappeared without a trace. At that very moment, the well-known phrase sounded: "You've gained a life!"

It hit me: I was in my video game!

A few minutes later, on the path up ahead I could see something floating in mid-air - it was a banana! I couldn't believe my eyes! Bananas weren't easy to find in the midst of the dense forest! Two of them had to be prised out of the hands of an angry monkey. I managed to keep hold of all my lives and make a perilous trek through a rainforest but the last task wasn't easy because the final banana sat right in the middle of a vast maze of venomous plants.

As I made my way forward, I was horrified as the first plant stretched out its head towards me, opened its mouth wide and ferociously snapped the air where I had stood just seconds before, like a crocodile attacking its prey. Swinging vine to vine, I dodged the vicious plants, staying focused on my quest to collect the last banana.

I ducked. I dived. I darted. Finally, I squeezed my eyes tightly together and vaulted towards the centre of the maze. Everything went black.

Now I am back here in my bedroom and I had just started to convince myself that I'd fallen back to sleep and dreamt the whole thing but I have just noticed the banana on my bed! I wonder what tomorrow will bring...

Timmy

SPaG

Recapping expanded noun phrases and conjunctions

An expanded noun phrase is a phrase made up of a noun and at least one adjective. If one or more adjectives are listed to describe the noun, a comma should be added to separate the sentence.

For example:

The red sports car drove down the long, winding road.

In this sentence, "red sports" is describing the car and "long, winding" is describing the road.

We use coordinating conjunctions to join two parts of a sentence that are of equal weight or importance.

We can remember them by using the mnemonic device: FANBOYS

For example:

I'd like pizza <mark>and</mark> salad for lunch.

Coordinating

For And Nor But

> Or Yet So

A subordinating conjunction introduces a subordinate clause (a clause that does not make sense on its own),

For example:

<mark>Because</mark> it was raining, I wore my wellies.

Subordinating conjunctions

Although
As
After
Because
Before
Since

Whilst

Even though
Whereas
In addition
Until
When
While
Despite

Diary:

Planning and writing our own diary entry

Independent Activity

Your task is to write your own diary entry about what happens after being transported into a video game.

It needs to be written in chronological order in an informal style. Remember to include your thoughts and feelings.

Where were you before you were transported into the video game?

How did you end up in the game?

Let's plan some ideas together...

Things to think about...

in a cave

up a mountain

on the moors

Where is the game set?

in a jungle

in an abandoned city

in a swamp

next to a river

in a forest

on another planet

What is the object of the game?

Do you have to collect something (like the bananas in our wagoll)

How do you get to the next level of the game?

Do you have a certain number of lives?

Hampton Vale Primary Academy

YEAR 4 HOMEWORK

L.O.L -Friday's lesson

Additional video available on: https://classroom.thenational.academy/

Things to think about...

Antennae

Hideous/grotesque/ gruesome / ugly /repulsive Part spider, part scorpion

Tentacles

Short, trunked creature

Do you come across any creatures and if

Eight-legged

Slimy, green

so what does it looks

like?

Skin as slippery as an eel / Dry scaly skin

Elongated, purple tail

Spines like a hedgehog

Unusual / peculiar / strange

Spikes / spines /quills

Hairy / woolly /furry/slimy

Ride upon its back

How do you defeat it for added bonus points?

Feed it venomous plants

Shine a torch into its eyes so it disappears

A unicorn with

A superhero

superpowers

Do you meet anyone else in the game that helps you in your quest?

A magic fairy

A wizard

A friend from school who you are playing online with

Storm in a Glass

Materials

- * Shaving cream
- A large glass
- * water
- * Food coloring
- A spoon

Instructions:

- 1. Fill the glass 1/2 full with water
- 2. Spray some shaving cream on top of the water to fill the glass to ¾ full.
- 3. Use your finger or a spoon to spread the shaving cream evenly over the top of the water. The top of the shaving cream should be flat.
- 4. Mix ½-cup water with 10 drops of food coloring in a separate container. Gently add the colored water, spoonful by spoonful, to the top of the shaving cream. When it gets too heavy, watch it storm!

Find out what will happen with different amounts of shaving cream.

YEAR 4 HOMEWORK

Additional learning:

Paper Plate Flying Saucer

You will need:

- · 2 paper bowls
 - paper bowes
- Paper cup
- PVA glue
- · Pipe cleaners
- · Googley eyes

- Scissors
- Silver foil
- Pom-poms
- · Green, black, yellow and red paint
- · Stick on jewels or sequins

Turn both paper bowls upside bown, then choose a paint colour and paint the bottom and rim of each bowl, then leave to dry.

Use a different colour to paint the sides of the bowl, then leave to dry.

Trim the bottom off the paper cup, th.en. th.in.ly cover in. PVA glue.

Cover the cup bottom in silver foil, then leave to dry.

YEAR 4 HOMEWORK

Additional learning:

Using PVA glue, stick the cup bottom on to the middle of one paper bowl, then leave to dry.

Next, spread PVA glue around the inside edge of one of the paper bowls. Then join the two bowls together, pressing firmly around the edge of them, before leaving to dry.

Where the cup joins the paper bowl, run a line of glue. Then bend a pipe cleaner around and twist the ends together so it sits snugly at the join.

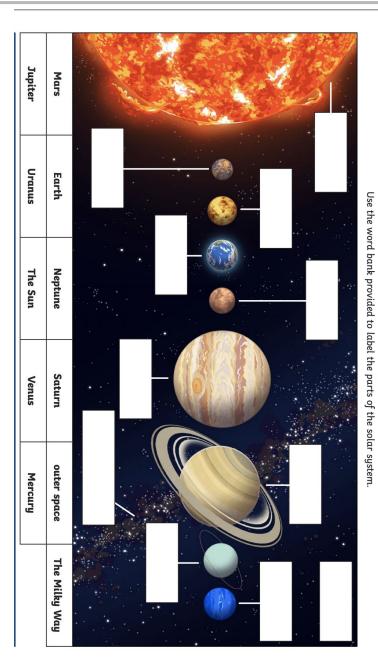

Decorate the flying saucer by sticking jewels or sequins around the outside edge of the top paper bowl.

YEAR 4 END OF YEAR EXPECTATIONS

This page provides information for parents and carers about the end of year expectations for Year Four children in our school. These expectations have been identified as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

Reading

- · Read a range of texts for enjoyment
- · Re-tell some stories orally with expression
- · Give a personal point of view on a text
- · Identify themes and conventions in a wide range of books
- Discuss words and phrases that capture the reader's interest and imagination
- · Recognise and perform different forms of poetry
- Explain a text with confidence
- Justify inferences with evidence, predicting what might happen from details stated or implied
- Identify how sentence type can be changed by altering word order, tenses, adding/deleting words or amending punctuation
- · Skim and scan to locate information and/or answer a question

Speaking and Listening

- · Articulate and justify opinions
- Speak with clear diction so that the audience can hear what is being said
- · Maintain and monitor the interest of the listener
- Participate in discussions, taking turns and listening to what others have to say

Hampton Vale Primary Academy

YEAR 4 END OF YEAR EXPECTATIONS

Writing

- Plan, draft and write in a range of genres
- Proofread for spelling and punctuation errors
- · Evaluate and edit own and others writing
- Read aloud own work, to a group or the whole class using appropriate intonation and tone
- Build a varied and rich range of vocabulary
- · Use adjectival phrases (e.g. biting cold wind)
- · Vary sentence structure, using different openers
- · Appropriate choice of noun or pronoun
- · Apostrophe for singular & plural possession
- Comma after fronted adverbial (e.g. Later that day, I heard some good news.)
- · Use commas to mark clauses
- Use connectives to link paragraphs around a theme
- Legible, joined handwriting of consistent quality
- · Spell common homophones
- Use prefixes and suffixes
- · Spell words that are often misspelt

YEAR 4 END OF YEAR EXPECTATIONS

Maths

- · Count backwards through zero to include negative numbers
- Compare and order numbers beyond 1000
- · Compare and order numbers with 2 decimal places
- \cdot Read Roman numerals to 100 (I to C) \cdot Find 1000 more/less than a given number
- Count in multiples of 6, 7, 9, 25 & 1000
- \cdot Recall & use multiplication & division facts for all tables to 12 imes 12
- · Recognise Place Value of any 4-digit number
- · Round any number to the nearest 10, 100 or 1000
- · Round decimals with 1dp to nearest whole number
- Add & subtract: Numbers with up to 4-digits using efficient written method Numbers with up to 1dp
- Multiply 2-digit by 1-digit numbers and 3-digit by 1-digit numbers using column multiplication
- Divide 3-digit by 1-digit using short division
- Count up/down in hundredths
- · +/- fractions with same denominator
- · Identify simple equivalent fractions
- Add and subtract fractions with common denominators
- Recognise and write decimal equivalents of any number of tenths or hundredths
- Recognise, round and write decimal equivalents
- · Read, write & convert time between analogue & digital, 12 & 24 hour clocks
- · Compare 2-D shapes, including quadrilaterals and triangles
- Find the area and perimeter of a shape
- · Estimate and calculate measurements
- Identify properties of angles
- Introduce simple translations and identify symmetry
- · Use coordinates
- Use bar charts, pictograms and line graphs
- Estimate, compare and calculate different measurements, including money in pounds and pence
- · Solve number and real-life problems
