

Home-School Agreement 2021

Introduction

We believe that for children to achieve the best education possible we must work in partnership with our families. This can be done most effectively when staff, parents, carers, and children understand their responsibilities and work together towards the same goals, as detailed in our home-school agreement.

At Hampton Vale Primary Academy we are proud of who we are; we are all valued and our achievements and talents are celebrated. We are nurtured and supported to grow and develop in a safe and respectful environment. Creativity, challenge and purpose are at the heart of our learning. Our community matters to us and we strive to create strong partnerships with all stakeholders. We each play a part in ensuring that we nurture responsible citizens for the future who understand the role they play in creating a better world for all. As a school we strive for excellence in all we do; there are no limits to our dreams, aspirations and achievements.
